the STONE-MART *difference*

Stone-Mart is one of the largest family-owned importers of natural stone nationwide. Established in 2003, we have over 20 years of experience in the stone industry. Our trained natural stone experts in each of our seven Florida locations are always ready to provide superior products and customer service to our clients nationwide.

As the largest importer and supplier of travertine, marble, and limestone to the United States, Stone-Mart strives to deliver superior flooring & hardscape solutions to our clients by providing exceptional customer service while maintaining our superior quality standards throughout the purchasing and delivery process.

We are a quality first company. Our inspection teams, as well as some of our staff, spend time at the quarries in Turkey ensuring that our high standards are met with every purchase.

Stone-Mart has one of the largest selections of on-hand inventory stocking over 8 million square feet of natural stone among our 7 locations. Our Florida clients have access to our state-of-the-art showrooms where clients can view our beautiful products as well as work with a natural stone specialist to help design their dream space.

Choose Stone-Mart today and speak with your account representative for more information regarding our sample programs, rewards program, additional marketing support, and other steps Stone-Mart takes to make a difference while setting the standard in the industry.
